

# How do I Decide?

How do we make decisions? How do we decide what to do? What is the right choice? What is the wrong choice? While the Bible doesn't directly give us answers to every decision we face, but here are some practical questions to ask :

1. Have I followed 1 John 1:9 (prayer/confession/absolution)?
2. Does the Bible directly talk about the decision I face? (Have I reviewed the Bible? Start with the 10 commandments in Exodus 20 and move out from there)
3. Are there Biblical Principles that can help me in this decision: e.g. Love or Selfishness? 1 Cor 13:4-8; 1 Cor 8:1-13
4. Have I "counted the cost" involved in the decision? Luke 14:28 (Is this really wise or maybe stupid?\*)
